PROMOTIONS FOR MILLER AND LENTS PROFESSIONALS

Houston, Texas — Senior staff members of Miller and Lents (M&L) have received promotions to reflect their growing roles in the organization.

Alexander Gitman has become a Senior Vice President. His career at M&L began in 2013 after working for BP and Chevron. He is a licensed professional engineer with over 17 years' experience including work in the United States, Russia, Kazakhstan, Ukraine, Africa, Romania, Uzbekistan, Vietnam, and Iraq.

Jennifer Godbold has become a Senior Vice President who joined M&L in 2017. She is a licensed professional engineer with experience in reservoir engineering, fluid properties analysis, reserves determination economic analysis, and acquisition and divestiture evaluations.

Mehmet Tarman has been promoted to Vice President. Tarman joined M&L in 2017 after serving as a reservoir engineer for Chevron and Landmark/Halliburton. As a petroleum engineer with over 16 years of experience, Tarman has become an invaluable part of M&L's team of experts.

Miller and Lents Chairman Robert Oberst said, "These promotions are well deserved and reflect on their growing responsibilities within Miller and Lents and to our clients."

Miller and Lents has served the oil and gas industry with trusted upstream insights and reservoir evaluation since 1948. Headquartered in Houston, Texas, the M&L team provides reliable, independent analysis to clients across the globe.
